Item No. 3. Master key sets of Locks with duplicate non-interchangeable keys to each lock and two master keys to pass all Locks.

	Rate per set
Sets of 1 to 18 Locks	...
Do 1 to 50 Locks	...
Do 1 to 100 Locks	...

N.B.—The levers should have a clean fit, as when one lever is operated the remaining levers should not slack too much. Too much clearance should not be left for the bold stump to pass across the levers. The clearance should be just a little larger than the bolt stump.

(1) The rates quoted should hold good for the period ending with 30th June 1949.

(2) The Stores Purchase Committee do not bind themselves to purchase any or all the sizes of the Locks specified above. The actual requirements of all the Departments should be supplied.

(3) The indents of Departmental Officers should be complied with within a week after their receipt.

(4) The prices to be quoted should be for free delivery at any Railway Station in the Mysore State.

(5) The Locks should be supplied with non-interchangeable duplicate keys.

(6) The Locks should be guaranteed to be of sound construction and workmanship, and if any are found to be defective or become unserviceable under normal use during the year, they will have to be replaced by sound ones free of cost to us. In the case of the Locks required for the Mysore State Railway, the top sheet should be sent loose without being rivetted. Further, the Locks are required to be engraved with the letters "M.S.R." and also the serial numbers which will be furnished by the Controller of Stores, Mysore State Railway, along with his indent.

(7) Two sample Locks of 2" only (one G. I. and one brass to show quality with loose top plates) should be forwarded along with the tenders.

(8) Should your tender be accepted, you will be required to execute an agreement and deposit a sum of Rs. 50 as security for the due fulfilment of the contract.
